**SUBJECT:** EDMOND, Sharon Annita  
Case No.: 5:19-CR-346-5BO  
Request for Early Termination

**TO:** Terrence W. Boyle  
United States District Judge

On October 20, 2021, Sharon Annita Edmond, was convicted of Wire Fraud and Aiding and Abetting. Ms. Edmond appeared in the United States District Court for the Eastern District of North Carolina and received 12 months imprisonment, followed by 3 years of supervised release. She began supervision on January 10, 2023.

Ms. Edmond has performed satisfactorily on supervision. She has submitted to DNA testing, and she has had no new criminal charges. Her case was evaluated as a low-risk supervision case, and she has been on our low-risk supervision program since June 15, 2023. All drug screens have been negative. Ms. Edmond is also gainfully employed. She has a restitution balance of \$9,196.07; however, it is noted that an Agreed Order for Payment (\$100 per month) was filed with the court on July 26, 2024. Her term of supervision is set to expire on January 9, 2026.

The probation office is requesting early termination. The U.S. Attorney's Office disagrees with our recommendation for early termination noting, "Defendant's continuing supervision by federal probation, even minimal supervision, remains a powerful incentive for the defendant to remain compliant with his obligations to victims concerning restitution". Please indicate the court's preference by marking the appropriate selection below.

- 
- I agree with the recommendation and have signed the enclosed Order.  
 I disagree with the recommendation. I will reconsider in one year.  
 I disagree with the recommendation. The defendant must serve the entire term of supervision.
